 - Dumpster Day - date, volunteers to "person" it, take & post pics of salvageable items, arrange donation pick-up. Clarke volunteered to be the "trash man" to person the dumpster. Joe would like to help for an hour or so. Kristen can reach out to D4 to try to schedule.
 - Walking Group - Marnie would like to help organize once a month walks on sidewalks and trails, at various levels of difficulty, so all can access. An idea

to have a flower walk to see Rachel's flowers growing in our community was brought up, or maybe a "Tree Trek" with Urban Greening

- Decorating Houses - Flo wants to get neighbors excited about Halloween decorations. There can be a map with participating houses that ties into the Walking Group. Possibly Webster kids get to vote on the best houses with prize money.

- Undergrounding - Kristen  Utilities Undergrounding Program She shared the Block 4J1 fact sheet and said we need to make sure the city finishes the job.

- Roundtable:

- Flo would like to ask the residents that live on the corner of Date/Brookline about painting a mural on their side-yard brick wall. Flo also can make waterproof signs with a QR code linked to Friends of Webster.
- Jared is wondering how we can be more connected between meetings. Jared will look into this. We discussed several platforms, but nothing was decided. It was noted that we have an Instagram page.
- Kristen invited whoever is interested to join us this Saturday (June 28th) to support the City Heights Farmers Market. Meet at JoeHns at 9am. We'll have coffee then head over to the market.
