THE GOLFER'S CREED

“Golf is a science, the study of a lifetime, in which you may exhaust yourself but never your subject. It is a contest, a duel or a melee, calling for skill, strategy and self control. It is a test of temper, a trial of honour, a revealer of character. It affords a chance to play the man and act the gentleman. It means going into God’s out of doors, getting close to nature, fresh air, exercise, a sweeping away of mental cobwebs... It is a cure for care, an antidote to worry. It includes companionship with friends, social intersection, opportunities for courtesy, kindliness and generosity to an opponent. It promotes not only physical health but moral force.”

– David R. Forgan 1899

GOLFMAN COLLECTION

It's the Ashworth philosophy that golf is more than a game, and Ashworth is more than a brand. It's a lifestyle, a conversation, a culture, a tribe.

Just talk to our fans and loyal customers. The ones who swear by our original polos. The ones who remember when Fred Couples wore Ashworth to win the Masters in '92. The ones who sport the Golfman logo, even tattoos of it, like a badge of honor.

The Golfman Collection includes a wide range of player types, including resort, private club, and daily fee golfers.
