
Important Notice: Fraudulent Communications

We are aware that unauthorized individuals may attempt to misuse our company name, email addresses, or employee identities. Please verify all communications over a Video call before making any payments or sharing confidential information.

Official Communication Channels

List only your official channels:

- Company website*
- Official email domain (e.g., info@designandsourcing07.com)*
- Official phone number* WhatsApp Business number (if applicable)*
- LinkedIn company page

Mention:

I communicate only through the official channels listed above.

Payment Disclaimer

I will never request payments to personal bank accounts, cryptocurrency wallets, or third—party accounts.

All invoices are issued from our official email domain and contain our registered company bank details.

Verification Process

Advise customers:

- Verify any change in bank account details by phone.
- Contact us before processing payments if you receive unusual requests.
- Confirm purchase orders through official channels

Email Domain Warning

Emails from free email services (such as Gmail, Yahoo, or Outlook) claiming to represent our company should be independently verified unless explicitly listed as official

Reporting Fraud
