SELF CARE OF THE MONTH

LEARN! Allow yourself at least 20 mins at the beginning or end of your busy day to read and expand your knowledge about something you find interesting.

SAVING TIP OF THE MONTH

Do you have debt and want to pay it off? Look up the different methods to pay off debt and decide which one will work better for you. Commit to start paying off your debt in the next 2 weeks with your new debt payoff plan.

KINDNESS ACTION OF THE MONTH

Donate to a charity you support.

BOOK OF THE MONTH

The 7 Habits of Highly Effective People
by: Stephen R. Covey

LET'S GET TO BUSINESS

July is our time to support and celebrate small black-owned businesses. Entrepreneurship drives economic development and success in America. A considerably wider variety of product options is ensured by a large number of small enterprises, each of which chooses items based on their own preferences and the demands of their clientele. In current day being able to use the internet small businesses can also have a much broader reach to their consumers allowing them the opportunity to scale and grow.

Check out some of the small businesses we support

@Cookingwithmissbee - Atlanta Chef

@Blushedout_bytoni - Atlanta MUA

@Auntieals - Atlanta Food Truck

@Pb_dahustla - Chicago MUA

@Suite726 - E-commerce Womens Boutique

@Mjs_carspa - New York Auto Detailing Service

@Jarrelllamar - New York Based Life Insurance Agent

@Peachycleaningservices17 - Traveling Cleaning Services
