

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the Plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see your SPD. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can receive a copy of the Glossary by calling the Welfare Fund office at: 908-687-4488 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0/Individual; \$0/Family In-network. \$300/Individual; \$600/Family Out-of-network.	Generally, you must pay the costs from providers up to the <u>deductible</u> amount before this <u>Plan</u> begins to pay. If you have other family members on the <u>Plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes.	This <u>Plan</u> covers some items and services even if you have not yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>Plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See your SPD for details.
Are there other <u>deductibles</u> for specific services?	Yes.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>Plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$4,000/Individual; \$8,000/Family In-network. Unlimited/ Out-of-network.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. This <u>Plan</u> has no <u>out-of-pocket-limit</u> for out-of-network benefits.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, co-pays, services not covered. Out-of-network cost share.	These costs paid by you are not applied to the <u>out-of-pocket-limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. Visit <a href="http://www.Horizonblue.com">www.Horizonblue.com</a> or call 800-810-2583	If you use an in-network provider, this <u>Plan</u> will pay some or all of the cost of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. If you use an out-of-network provider, this <u>Plan</u> will pay less. See the chart starting on page 2 for how this <u>Plan</u> pays different kinds of providers.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	This <u>Plan</u> will pay some or all of the costs to see a specialist for covered services.
