

THE MAGNOLIA STATE'S MOST EXPERIENCED BURN, HAND & WOUND TEAM

1225 N State Street
Jackson, MS 39202

MISSISSIPPI
BURN, HAND & RECONSTRUCTION
CENTER

ABOUT US

We are committed to providing convenient, compassionate, and collaborative care to patients across Mississippi and the surrounding regions. Led by a surgeon board-certified in plastic and critical care surgery, we specialize in providing treatment along the continuum of care from admission to our center to discharge from therapy primarily in burn care, hand surgery, and reconstruction to provide hope and healing for our patients' better tomorrow.

OUR CONTINUUM OF CARE

We treat all burn injuries in adults and children providing complete care from injury through reconstruction and restoration of function to turn hope into reality.

We treat wounds large and small from necrotizing soft tissue infections to pressure ulcers.

We treat acute and chronic hand diseases, including all injuries and fractures of the hand. In offering replantation surgery as well as a full spectrum of rehabilitation services, we help you regain function and comfort.

We provide full plastic reconstruction to make your tomorrow better than today.

Our mission is our *passion*:

Providing burn and reconstructive care and education in a collaborative environment to restore function and ensure optimal patient outcomes.

FINDING *Hope* IN HEALING FOR YOUR BETTER TOMORROW
