The Menomonie Police Department is committed to excellence in police services to the community. We appreciate when a citizen takes the time to recognize the efforts of one of our staff members. We also understand that there may be times when we did not live up to those expectations.					
Notice: Any complaint initiated by a citizen without a reasonable basis, in bad faith, or solely for the purpose of harassing or maliciously injuring a member of the Department, may result in a counter-claim being filed against the complainant by the member involved under Wisconsin Statutes 814.025 (Frivolous Claims). Absent exceptional circumstances, it is the policy of the Menomonie Police Department to complete all internal investigations within 30 days of receipt.
