Make It Last For Life

DAY 23: *Sandcastles* Creating a Lasting Legacy

List the 3 evaluations described here—influence, affluence, and obedience—and give yourself a grade on each one. In which area do you struggle the most? In which do you think you're doing well? What would your life have to look like for you to achieve A+ in each one?

Review your calendar for last month. How much of your time was spent on temporary goals? How much on an eternal legacy? Look over your checkbook and credit-card statements. How much of your money was spent on temporary things? How much on eternal investments? Consider at least one way in the week ahead that you can invest in an eternal legacy.

Write your obituary. Start with what your life has been so far and then continue it well into the future. What do you want to be known for when you pass on? What legacy will you leave in you relationships?
