Make It Last For Life

DAY 28: *Footprint* Leaving a Lasting Impression

Think of a loved one who has passed away. How would you describe his or her spiritual legacy? What would you like to emulate about this person's legacy of character? What would you like to avoid?

Spend some time with God in prayer and confession. Ask Him to reveal His grace to you in a new way, one that helps you better grasp the fullness of His love for you. Go to someone you've offended or hurt and ask for forgiveness.

Is there anyone who needs your forgiveness? Reflect on the high price God paid to forgive you, and then ask Him what action, if any, He wants you to take in relationship to that person.
