

FALL IS ALMOST HERE AT ELEVATE

Summer classes have officially wrapped up, and we want to say thank you to everyone who danced with us this summer! We loved seeing so much growth and can't wait to kick off another incredible season.

We had originally hoped to continue offering some classes through August. However, with studio renovations underway, dancers heading back to school, and competition choreography beginning, we've made the decision to officially conclude our summer session. While we'll miss seeing everyone each week, we're excited for all that's ahead as we prepare for our best season yet!

OPEN ACRO LAB GYM DAYS

We'll be hosting Open Acro Lab Gym Days throughout August! These sessions are a great opportunity for dancers to stay active, work on skills, and get some extra training before fall classes begin.

did you know **DANCE** **BUILDS CONFIDENCE**

Confidence isn't taught in a single class—it's built one small victory at a time. Every new skill mastered, every performance, every challenge overcome, and every moment a dancer steps outside their comfort zone helps them believe in themselves a little more.

Happy Birthday!

DANCER NEWS

MADDIE BRITTON + AVYN PUCKETT TAKE THE STAGE IN BRANSON, MISSOURI

This summer, Maddie Britton and Avyn Puckett had the incredible opportunity to perform professionally in the Kids Roc show in Branson, Missouri. After spending the week training and rehearsing with industry professionals, they took the stage for multiple live performances, showcasing their talent, professionalism, and hard work. While in Branson, Avyn was also awarded a scholarship to the TAPS (The Accelerated Performance School) Program, recognizing her dedication, potential, and artistry. This prestigious opportunity will allow her to continue training with top professionals and further develop her skills as a performer.

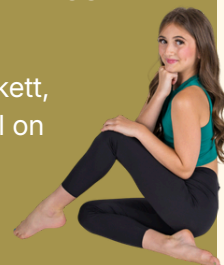

We are so proud of Maddie and Avyn for representing Elevate Dance Academy with excellence and can't wait to see where their dance journeys take them next!
