

A scenic landscape featuring a range of mountains in the background, a calm lake in the middle ground, and a field of colorful flowers in the foreground. The sky is filled with soft, white clouds and a few birds are visible in flight. The overall color palette is soft and natural, with greens, blues, and earthy tones.

Women of Plumas County - Expo

Location: Serpilio Hall – Plumas County Fairgrounds
204 Fairground Rd, Quincy, CA 95971
Event Date: Sunday, August 9, 2026
Public Hours: 10:00 AM – 3:00 PM
Set Up (Day Prior): 3:00 PM – 7:00 PM
Set Up (Day Of): Starting at 7:00 AM

The Women of Plumas County Expo is a community event born out of the private Facebook group “Women of Plumas County.” A group composed of women entrepreneurs, artists, nonprofits, performers, neighbors and more across Plumas County. The Women of Plumas County Expo is an opportunity for us to show the public just how much value we bring to the community.

I have secured the fairgrounds using my own resources and am *waiving the booth fee*. I believe in removing financial barriers and giving all women an opportunity to showcase their talents and passions. I am confident that the funds will be recouped through raffle tickets, a silent auction, sponsorships/ad packages and donations from the public. My goal is to cover the cost for this year's event and secure funding for another in 2027.

The Women of Plumas County Expo is intentionally designed to spotlight women-owned and women-led platforms. We absolutely welcome spouses, families, friends, and the entire community to attend, shop, network and support. However, **booth registration is reserved for women vendors** to preserve the heart and purpose of this event.

Each vendor will receive a 10x10 booth space inside Serpilio Hall. To secure your space, a \$50 commitment deposit (check only) is required. This is to minimize no-shows and cancellations. Checks should be made payable to “Shelby Janaea.” Your check will be returned to you at the end of the event with the option to donate it back toward Expo costs if you wish.

Completed application packets must be received by April 5th 2026
