

Part D Drug Plan

Self-Enrollment Instructions

1 LOG INTO YOUR MEDICARE ACCOUNT

- Go to: www.medicare.gov
- Click "Log in" in the top right corner.
- Don't have an account?
 - Click "Create an account" and follow the prompts to register.

Medicare.gov

2 START A DRUG PLAN SEARCH

- From the homepage, click "Find Health & Drug Plans."
- Enter your ZIP code, then click "Continue."

3 CHOOSE PLAN TYPE

- Select "Medicare Drug Plan (Part D)"
- Click "Find Plans."

6 CHOOSE YOUR PHARMACY

- Pick your preferred pharmacy or pharmacies.
- Click "Continue to View Plans."

5 ENTER YOUR MEDICATIONS

- Select "Yes" when asked: "Do you want to see your drug costs when you compare plans?"
- Add each medication (name, dosage, and frequency).
- Click "Done Adding Drugs" when finished.

4 ANSWER HELP QUESTIONS

- You'll be asked if you receive any help with Medicare or drug costs.
- Select your answer or choose "I don't get help from any of these programs."
- Click "Continue."

7 REVIEW AVAILABLE PLANS

- A list of drug plans will appear, sorted by lowest total cost.
- Click "View Drugs & Their Costs" to see how each plan covers your medications.

8 ENROLL IN A PLAN

- When you find the best plan for your needs, click "Enroll."
- Follow the instructions to complete your enrollment.
