

BELLATRIX MCO/MCP - QUALIFYING QUESTIONNAIRE

BELLATRIX MCO (MCP)

QUALIFYING QUESTIONNAIRE

REASON FOR THIS APPLICATION

To let us know (as breeders who potential kitten will be adopted from) about you and your home environment to ensure that a suitable home for one of our Furry Stars Maine Coon kittens can be well adjusted to. Maine Coons are very loyal to its owners. Your new furry member of the family will be part of your life. Deciding that a Maine Coon will become part of your family is a big but very rewarding commitment.

Please select one of the 2 options to specify the wait list that works best for you.

• Option 1

Priority Wait List - \$500 non-refundable before the litter is born to secure the kitten with our cattery from any of the King/Queen couple.

1. The non-refundable \$500 deposit will allow you to be on a priority list (you will be called first as soon as the litter is born to pick out a kitten).
 - The deposit will be required upon completion of this questionnaire.
 - The deposit goes towards the final amount for the kitten of your choice.

• Options 2

First come first serve - non-deposit list, secondary to the priority list *Option1*

1. You will be called on a first come first serve basis after the Priority list and at that time if you choose your special companion you will be required to pay a non-refundable \$500 deposit.

Please note that the final amount for the selected kitten needs to be paid for 14 business days before being delivered or picked up to/by the new family.

Please note that kittens will go home to their new family at 14 weeks old.

Our goal is to ensure a good match between our kittens and prospective new loving adoptive family. If you have any **questions, please ask! We treat them as our furry babies, and we hope they will be getting the same loving and caring environment.**

Thank you for taking the time to complete this application!
