The **Lemonadda** story

Lemonadda's juicy journey began on a warm summers day visiting Grandma's house back in 2010. After a refreshing, tasty glass of Grandma's handmade Limonata we had come to an agreement that in exchange for kisses and hugs, she would gift me with her treasured Limonata recipe.

We began by making a dozen bottles; han filling them, hand labelling them and then delivering them to our local markets. The feedback was sublime and the calls for orders hasn't stopped since. Lemonadda now shares its nostalgic flavours of Cyprus with several countries around the world.

Lemonadda, the way you remember it!
