Water Kinetics Eco-Duo Guarantee - Terms and Conditions

Products are subject to a guarantee that is between Water Kinetics, registered at Lomond House 7 Greenbank Road, Darvel, East Ayrshire, United Kingdom, KA17 0NN, Company No: SC632550, VAT: GB 350 116 837, and the final purchaser of the product.

When correctly assembled with the stated tubes and pipe the length of guarantee is as follows:

25 Years

The Eco-Duo Copper and Stainless ranges are guaranteed for a period of 25 years commencing on the date of purchase when installed in conjunction with Eco-Duo fittings and components.

The guarantee is subject to proof of purchase being supplied.

This guarantee does not affect any statutory rights the purchaser may have in law.

The guarantee covers manufacturing or material defects when installed in accordance with our instructions on specified tube materials and applications and does not cover instances of normal wear and tear).

This product range has been designed for the use of domestic and commercial applications and therefore the guarantee is subject to the product being properly selected for their intended service conditions.

The guarantee is not applicable where the product is fitted contrary to the conditions contained within the fitting instructions.

Provided Eco-Duo is installed correctly and receives adequate preventative maintenance it should give years of trouble-free service.

Abusive behaviour, and accidental damage to the product are not covered by this guarantee.

The extent of any liability from this guarantee is limited to the cost of the replacement of the defective item and not to installation or consequential damages.

Eco-Duo is a trademark of Water Kinetics Ltd

Water Kinetics Ltd makes every effort to ensure that the information provided on its website is accurate. However, we cannot guarantee this, and accept no liability for any information or advice given via its website.
