

GUIDELINES FOR VSP RETURN FROM EXTENDED ABSENCE

In the event of an extended absence of a VSP due to medical reasons, prolonged vacation, or for other reason(s), the following guidelines are to be followed:

Absence of More Than 60 Days:

Absence of more than sixty (60) days from patrols will require the returning VSP to complete at least two (2) patrols with a designated trainer prior to being released to full patrol duties.

Absence of More Than 90 Days:

Absence of more than ninety (90) days from patrols will require the returning VSP to complete five (5) patrols with a designated trainer which will include completion of the Training Practical Factors card prior to being released to full patrol duties.
