HIGH QUALITY COFFEE IS SUSTAINABLE ONLY THROUGH A HUMAN-CENTRIC APPROACH. IT'S A SIMPLE IDEA. AND AS WE LIKE TO THINK OF IT, OUR SECRET RECIPE FOR THE BEST CUP OF COFFEE IN THE WORLD.

Our **Circle Model**. We provide coffee drinkers with the opportunity to engage in a cycle that begins with, and returns to, our partners in coffee-growing regions. We're fully engaged in that cycle, sourcing coffee directly from farmers through ownership of our importer Cooperative Coffees and circling back to the farmers and their **communities via our sister nonprofit, On the Ground.**
