### **2024 Indoor Championship**

Small profit was made on the competition. The good news is that we raised £506.00 in the raffle which will go towards the cost for the County Champ entry and £170.00 for the WoSSA under 21 team

### **2025 Indoor Championship**

After the feedback from those attending the 2024 Indoors we will be holding it on weekend of 1st & 2nd of February 2025.

### **2024 Outdoor Championship**

Outdoor Championship is being held on 2nd June 2024 at Riverside in Ayr with the Junior Archery Series being held the day before.

We will be looking for volunteers over the weekend to assist with running the shoots and to help out with come and try sessions. Catering for the day has now been confirmed and we will have 2 GB archers giving demonstrations. There will also be Archery games and a raffle to raise funds for the under 21 team and the County Champs team

### **Fundraising**

We have received 2 lots of funding of approx £7,000 for specific projects from Royal Company of Archers Charitable Trust and South Ayrshire council. These funds are to assist our community engagement programme.

We are working with a few clubs to assist them in getting funding towards new equipment and other projects.

Richard suggested we have a meeting with some on Scottish Archery Directors to discuss fundraising

### **Under 21 WoSAA Team**

To run the under 21 team and provide them with coaching and assistance we need to raise approx £5,000. We will be raising money for this at our 2024 Outdoor championship weekend by charging for Come and Try sessions, archery games and a raffle.

We will also be having a comedy night to raise funds for the West Under 21 team on 20th September 2024 at St Cuthberts Golf Club in Prestwick - tickets are currently on sale

### **County Teams**

Richard has offered to support squad day and assist with head to head training. We are currently taking names of those interested and will be asking for scores once the outdoor season starts.

### **AOB**

**Fast track plan for judges** - Richard is working with Curtis and Frank to get more County and Regional judges in Scotland

**Records** - there are 35 records across ages and bow types available to be claimed at the WA900
