Spring Reminders

Please contact the office as soon as possible with your child's / children's summer attendance plans. We are already receiving calls about our summer camp program.

Spring is here, we will be going outside more. Please be sure your child has appropriate attire to go outside each day. Feel free to bring in a pair of outside shoes or boots for your child to change into.

Please clean out your child's cubby and file folder. Be sure to refresh their spare clothing.

Safety Concerns

It is critical that your children (enrolled or unenrolled) stay with you at all times during the drop off and pick up process. We have prevented a few situations where children have run from their parents and tried going out the front door. The last thing we would ever want is an incident at one of our facility's because a parent allows their child(ren) to run from them.

Also, please make sure you are walking your child(ren) to their classroom and letting their teacher know they are here. When picking up, please make sure the teacher knows you are taking your child(ren).

Parking Lot Safety:

Please be mindful in our parking lots.

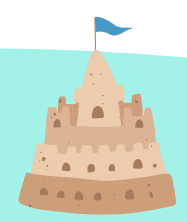

There are children getting in and out of cars throughout the day. The speed limit in our parking lots is 10mph.

- *Our Granger location, you enter in the east driveway and exit in the west driveway.
- *Our South Bend location, the access off of Ironwood should be used as an entrance only. The Hawthorne street access may be used as an entrance or exit.
- *Our Osceola location only has the one drive for entering and exiting; please be mindful to not take up the whole access when entering and exiting.

Thank you for your understanding and cooperation.

SLOW

Summer Camp

Summer camp is for children who have completed kindergarten through 12 years-old. We are offering full time (4-5 days) or part time (2 or 3 consistent days) enrollment. Spots are limited and filling up fast! Please notify the office of your school-age child's attendance as soon as possible to secure his or her spot.
