## Valentine's Parties:

We will be having Valentine's parties on Friday, February 13<sup>th</sup> at 3:00 PM.

If you are interested in providing a store-bought treat, please sign up on the sheet located in your child's classroom.

You are welcome to send Valentine's cards for your child to pass out to their classmates. To help make sure no one is left out, please address each card to "A Friend" instead of using names. Thank you for helping us keep Valentine's Day inclusive for everyone! ♥♥

Please help us keep your child comfortable and safe by ensuring the following items are always available at the center:

## Extra Clothes

A full change of clothes in your child's cubby or bag at all times (shirt, pants, underwear, and socks).

## Winter Gear

When temperatures are expected to be 25°F or higher (including wind chill), children will go outside.

Please make sure your child comes with all appropriate winter gear: coat, snowpants, boots, gloves or mittens, a hat, etc.

## Illness Season Reminder:

Illness season is upon us, and we are currently seeing a variety of illnesses across all of our centers. To help prevent the spread of germs, please keep your child home if he or she has a fever of 100°F or higher, is vomiting, has excessive diarrhea, or is not feeling well. They should remain home until they are symptom-free and fever-free without the use of fever-reducing medication. Please remember to take your child's nap items home every Friday to be washed. We are doing our best to keep everyone healthy by disinfecting classrooms and toys daily.

Thank you for your cooperation and support!

## Daily Sign In/Out

For your child's safety, it is a state requirement that a parent or authorized adult signs their child in and out every day.

Thank you for your cooperation and support!
