

VICE MD House Calls Program

The greatest thing about having a choice...

...is the freedom to make it.

*Inspiring a new Freedom of Choice for Seniors
at all levels of care*

Benefits of House Calls Program

- ◆ Decreased hospitalizations by 24%
- ◆ Clinic visits decreased by 75%
- ◆ Resident retention of 72% in the same care level after two years vs. the control group (65%)
- ◆ Hospital readmission rates reduced by up to 90%

- ◆ Our **House Calls Program** is a proactive preventive health care approach.
- ◆ Your Primary Care Doctor (PCP) delivers exceptional concierge medical care to you directly in your residence.
- ◆ Your doctor sees you regularly once every 1-2 months rather than waiting for you to become sick and then contacting them.
- ◆ The goal is to prevent future complications from happening rather than just treating the current one.

House Calls Program Benefits for You

- ◆ You do ***not*** need to drive to the doctor's office for your visits.
- ◆ Your doctor sees you regularly once every 1-2 months in your home for a minimum of ***60 minutes***.
- ◆ Unlimited sick visits available in between regular visits as needed, even weekly until you get better.
- ◆ You can communicate directly with ***your*** PCP 24/7 by either portal, email, or telephone without having to call the office.
- ◆ You form a close ***doctor-patient relationship*** with the frequent regular visits.
- ◆ Blood work and some imaging can be done directly in your home ahead of your appointment rather than going to an outside lab.
