Featured Whiskey Flight of the Month

REDWOOD ESTD. **EMPIRE** MMXVII **WHISKEY**

The Redwood Empire stretches from San Francisco to Humboldt Bay and on to the Oregon border. It is a rugged, sparsely populated area still dominated by forest, including the protected groves of Muir Woods and the massive forests of the Humboldt Redwoods. A redwood forest is a perfectly balanced ecosystem where every element works in harmony. The grandeur of the redwoods can be experienced throughout our Northern California backyard here in Sonoma County.

John Muir once said, "In every walk with nature, one receives far more than he seeks." The Northern California Coast is one of the few in the world where Giant Redwood trees grow. A place of inspiration and renewal. This is where we produce and age our whiskey as the climate allows for a slow and even extraction of flavor, creating exceptional balance and complexity. Taste what our Redwood Empire inspires. DRINK AMONG GIANTS. We are proud to partner with Trees for the Future to make a clear commitment to sustain our planet's climate and livability. For every bottle sold, we will plant a tree
