

## **You Get the Glory**

This is so heavy  
And it's bringing me to my knees  
And I'm crying out Lord, I need You now  
To come and see about me  
Don't know why's this life so hard?  
And why do You seem so far?  
But if this cup won't pass  
Help me to stay steadfast  
Let Your will be done

You get the glory from this  
Please get the glory from this  
No matter what I have to go through in this world  
As long as You get the glory from it

You get the glory from this  
You get the glory from this  
No matter what I have to go through in this world  
As long as You get the glory from it

You get the glory from this  
You get the glory from this  
No matter what I have to go through in this world  
As long as You get the glory from it

And this is my cross to bear  
This is my story to tell  
That no matter what I've gone through  
I've been tried and came out true  
So let Your will be done

You get the glory from this  
You get the glory from this  
No matter what I have to go through in this world  
As long as You get the glory from it

You get the glory from this  
You get the glory from this  
No matter what I have to go through in this world  
As long as You get the glory from it

Tribulation, persecution  
My affliction, You get the glory from it  
In my weakness, in my brokenness  
In the crushing, You get the glory from this  
On the mountain top, in the valley low  
You are in control, You get the glory from this. On my good days  
On my bad days, I will still say You get the glory from this
