1. The Haybuster will only be used on land that the lessee owns or operates.
2. The Haybuster will only be used, or operated by the person identified as the lessee in the above paragraph.
3. The lessee will furnish Iron Conservation District with a cash or check security deposit in the amount of \$200.00. The lessee will be refunded the security deposit upon return of the Haybuster, providing all conditions of this contract are adhered to by the lessee.
4. The lessee will pay the sum of \$15.00 per acre of use, as indicated by the acre counter readings.

6. The Haybuster shall be returned clean, and in the same condition that the lessee received the Haybuster.
7. The lessee shall inspect the Haybuster during the pickup time of the rental, and inform Iron Conservation Staff of any preexisting damage, broken, or missing parts. Iron Conservation District Staff will record any pre rental damage, or issues with the Haybuster Drill on the rental agreement, and furnish the lessee with a copy for their records.
8. The lessee shall be responsible for all damage that occurs to the Haybuster while the lessee has possession. The lessee will be responsible for all damages regardless of if the damage occurred during use, transport, or if the lessee was directly at fault for the damage.
