## TOP GRADE

We manage with even greater attention to detail and precision through the application of water-based adhesive.

No more worries about the adhesive smell you used to experience right after construction!

With the application of water-based adhesive, we have achieved the industry's highest level of safety.

# Trend Summary

The interior design trends proposed by Hyundai L&C for 2023-24

The theme of Hyundai L&C's 2023-24 Interior Design Trends Seminar is 'High Touch: Connecting with Technology and Nurturing Life through Emotion.' Faced with a cautious transition into the endemic era, the seminar explores a responsible way of living that revives face-to-face communication and seeks to coexist longer. It proposes spaces that care for and connect people. The trends are categorized into three themes: 'Bio Eden,' 'Hosting Oasis,' and 'New-Topia.' Each theme presents lifestyle, design style, colors, and spaces tailored to its concept.

## Natural Surface

COR70

A dramatic space highlighting the attractiveness of natural materials through a unique texture.  
Bodaq NS series is the premium line of products that reinterpreted various textures and colors from nature,  
such as stone, fabric and metal, from a modern perspective.  
The natural but occasionally classic atmosphere will dramatically change the space you occupy.

# Real Cork

Bodak Real Cork is a product that utilizes natural cork material obtained from tree bark. Create a unique space with a natural and comfortable sensibility.

## Stone & Marble

PM014

Identical structure, identical in size. But once the door opens, a completely different space is revealed.

The difference is all in the interior! From a place that everyone knows to a place everyone wants to live in.

Upgrade your interior with Bodaq Stone & Marble one that will make you feel like you made the right choice even with the smallest element.

# Premium Marble

The consistently beloved marble pattern, known for its elegant charm, is upgraded to a more realistic appearance. Applying innovative coating technology to the existing marble surface, the Premium Marble adds visual satisfaction. The surface, like satin-powdered sandstone, is realistically implemented, providing a luxurious feel.
