Register today at blueshieldca.com.

Get more from your Blue Shield membership when you register at **blueshieldca.com** for anytime access to *My Health Plan* with features customized to your own plan coverage and benefits.

- View benefits highlights with copayments.
- Check your plan summary to verify eligibility and coverage effective dates for you and your family members.
- Find providers, hospitals, and urgent care centers in your area.
- Track claims online and get updates with claims status alerts.
- Go to Ask & Answer to connect with other members on health-related topics.
- Print temporary Blue Shield ID cards and more!
- Compare treatment category costs (for PPO members) by facility and location, and make informed healthcare decisions.

There are even areas for wellness and health resources, and pharmacy features where you can search a list of formulary drugs, find generic alternatives, locate a network pharmacy, and get confidential answers from a clinical pharmacist, so you can better manage your health.

1. Member Ratings and Reviews

Members tell us what they think about their health plan and where they can go for help in making a more informed decision when choosing their healthcare coverage.
