SAINT-GOBAIN

Trust Your Home to Landmark®

Few things in this world are as precious as the place that you call home. It is much more than just a house. It's the foundation from which you build your life. That's why having a roof that gives your home long-lasting curb appeal and protection from the elements is so important. At CertainTeed, our benchmark for success is our customers' total peace of mind. And we wouldn't have it any other way.

Our dedication to making the highest-quality roofing systems continues to earn the respect of top building professionals. And our product portfolio offers the widest variety of design and color options in the industry. It's no wonder that more than a million homeowners across North America choose CertainTeed each year.

And the job doesn't stop once the roof goes on. Every CertainTeed product is backed by our industry-leading manufacturer's warranty, allowing you to rest confidently and comfortably for years to come.

Technology that protects
the beauty of your roof and
strengthens its performance.

NailTrak[®]

Fast, Accurate, Visible

The new and improved **NailTrak** nailing line, a feature on CertainTeed designer shingles.

Now **NailTrak** is brighter than ever before, with high-visibility lines that stand out whether it's daybreak or dusk.

NailTrak removes the guesswork with three separately defined lines, creating a large area to guide your nailing and a smaller area for extreme steep-slope applications.

QuadraBond[®]

Advanced Layering

CertainTeed's specially formulated adhesive adheres shingle layers at four points, more than any other manufacturer. This superior bond provides greater protection against shingle delamination to maximize performance over the life of the shingle in any climate.

StreakFighter[®]

Algae Resistance

The ultimate in stain protection.

Those streaks you see on other roofs in your neighborhood? That's algae, and it's a common eyesore on roofing throughout North America. CertainTeed's **StreakFighter** technology uses the power of science to repel algae before it can take hold and spread. **StreakFighter's** granular blend includes naturally algae-resistant copper, helping your roof maintain its curb appeal and look beautiful for years to come.

CertaSeal[®]

Uplift Protection

CertaSeal[®] is a fast-activating modified asphalt sealant with a 20-year record of proven performance. Designed to seal shingles together upon installation, it protects roofs from wind uplift and shingle blow-off so that homes stay safe and dry. It's also engineered to remain flexible after installation, unlike harder sealants that can dry out and crack over time.

Solaris[®] CoolRoof

Solar Reflectivity

Solaris[®] Cool Roof is a sustainable shingle granule technology that applies energy-saving cool roof performance to CertainTeed's most popular shingle brands. Available in rich and authentic colors, including dark hues and tones, Solaris Cool Roof can lower roof temperatures and allow homeowners to reduce cooling costs without sacrificing beauty, quality, or color.

The Trusted Classic

LANDMARK®

Owning a Landmark roof brings peace of mind. Landmark's dual-layered construction and exceptional durability provide long-lasting protection for your home.

- **Classified as UL 2218 Class 3 Impact Rated**
- Dual-layered for extra dimensionality and protection from the elements
- Offers the widest array of colors in the industry
- Independently certified as meeting the highest quality standards for roofing

Outstanding Durability

LANDMARK® ClimateFlex®

Featuring the latest advances in polymer science, CertainTeed's **ClimateFlex** technology works at a molecular level to make shingles strong and pliable. The rubber-like qualities of the **ClimateFlex** asphalt formula provides each shingle with improved hail resistance, cold-weather flexibility and granule adhesion.

- **Classified as UL 2218 Class 4 Impact Rated**
- Highest industry-rated impact protection
- Better pliability and granule adhesion
- Endures weathering and cold-weather extremes

Colonial Slate

Available in limited areas.

Strength with Style

LANDMARK®

- Certified to meet UL 2218 Class 3 Impact Resistance
- Dual-layer durability
- Industry-best lifetime limited warranty
- 25-year **StreakFighter**® algae-resistance warranty
- **Solaris**® *CoolRoof* colors have a Solar Reflectance Index greater than 20 SRI.

LANDMARK® **ClimateFlex**®

- Certified to meet UL 2218 Class 4 Impact Resistance
 - Dual-layer, high performance
 - Industry-best lifetime limited warranty
 - 25-year **StreakFighter**® algae-resistance warranty
- Available in limited areas.

LANDMARK® PRO

- Certified to meet UL 2218 Class 3 Impact Resistance
- Dual-layer, high performance
- Max Def color palette
- Industry-best lifetime limited warranty
- 30-year **StreakFighter**® algae-resistance warranty

NORTHGATE® **ClimateFlex**®

- Certified to meet UL 2218 Class 4 Impact Resistance
- Dual-layer, high performance
- Max Def color palette
- Industry-best lifetime limited warranty
- 30-year **StreakFighter**® algae-resistance warranty

LANDMARK® TL

- Certified to meet UL 2218 Class 4 Impact Resistance
- Triple-layer, high performance
- Rustic appearance of hand-split wood shakes
- Industry-best lifetime limited warranty
- 30-year **StreakFighter**® algae-resistance warranty

LANDMARK SERIES

SPECIFICATIONS

- Two-piece laminated fiberglass-based construction
- Three-piece (Landmark TL) laminated fiberglass-based construction
- Classic shades and dimensional appearance of natural wood or slate
- **Solaris® CoolRoof** colors have a Solar Reflectance Index greater than 20 SRI.

For U.S. building code compliance, see product specification sheets.

CertainTeed products are tested to ensure the highest quality and comply with the following industry standards:

Fire Resistance:

- UL Class A
- UL certified to meet ASTM D3018 Type 1

Wind Resistance:

- UL certified to meet ASTM D3018 Type 1
- ASTM D3161 Class F

Tear Resistance:

- UL certified to meet ASTM D3462
- CSA standard A123.5

Wind Driven Rain Resistance:

- Miami-Dade Product Control Acceptance: Please reference www.certainteed.com to determine approved products by manufacturing location.

Impact Resistance:

- UL certified to meet UL 2218 Class 4 (Landmark **ClimateFlex®**, Landmark TL and NorthGate **ClimateFlex®**)
- UL classified to meet UL 2218 Class 3 (Landmark and Landmark PRO)

Quality Standards:

- ICC-ES-ESR-1389 & ESR-3537

WARRANTY

- Lifetime limited transferable warranty against manufacturing defects on residential applications
- 50-year limited transferable warranty against manufacturing defects on group-owned or commercial applications (Landmark PRO, NorthGate **ClimateFlex®** and Landmark TL)
- 40-year limited transferable warranty against manufacturing defects on group-owned or commercial applications (Landmark and Landmark **ClimateFlex®**)
- **StreakFighter®** algae-resistance warranty (25-year – Landmark and Landmark **ClimateFlex®**, 30-year – Landmark PRO, NorthGate **ClimateFlex®**, Landmark TL)
- 10-year SureStart™ protection
- 15-year 110 mph wind-resistance warranty
- Wind warranty upgrade to 160 mph available. CertainTeed starter and CertainTeed hip and ridge required

See actual warranty for specific details and limitations.
