August 16, 2021

Dear Parents,

*Pinecrest Elementary will be utilizing the Driveline dismissal app for a safe and staggered student dismissal. Please view this brief 2 minute video for an overview of the process <https://www.youtube.com/watch?v=qY3va7mLy5M&feature=youtu.be>*

*Every student will receive a Driveline number. **You will need to display that number on your vehicle, so it is visible to the dispatcher who is using the number to call down your child from classrooms for dismissal.** It is the responsibility of the parent to keep these numbers secure and provide them to people who you authorize to pick up your child. Please secure these numbers as students will not be dismissed unless the dismissal number is provided.*

Attached is a tag for you to use when picking up your child at school. Please complete the card with your child's full name and write the Driveline number assigned for your child. Please write these numbers as big and clear as possible to ensure they are easy for the dispatchers to read. If you have more than one student that you are picking up, you may display those numbers on the same sign or request multiple signs from your child's teacher or the main office.

For questions on this process, please contact Ms. Diaz, attendance clerk, at 305-667-5579.

Sincerely,

Lynn Zaldua  
Principal
