Students can make up a missed class if there is a similar class offered. You have a month to make up the class; please speak with the teacher or office about making up the class so that we know when your child is making up a class and we can expect them.

7. Do I need to stay the whole time my child is in dance class?
You do not have to stay at the studio during your child's class; it is your preference as to whether you want to stay. Typically, most 3-4 year old parents stay but each parent is different so again it is your choice.

8. How will I get important information from the dance studio?
We send out a monthly newsletter via email. It is very important that we have your email on file (online registration) and it is one that you check regularly so that you are aware of what is happening with classes and recital events.
9. How do I know when tuition is due?
Tuition is due the 5th of each month. We accept cash, checks, and credit cards. All checks should be made payable to Dance Elements. The credit card on file will be charged on the 3rd of the month if we have not received payment by cash or check. If you do not have a working credit card on file a $25.00 late fee will be added to your account and a past due invoice will be emailed to you. There is a $25.00 charge on all returned checks. If your account falls behind more than 2 months, you will be asked to pay your balance or a dancer’s enrollment may be canceled. We encourage you to keep a credit card on file that will be used for monthly tuition payments and recital related costs to avoid late fees.

10. Where can I read more of your policies and recital information?
You can find our studio policies on our website, your welcome packet you receive upon registration, and we will be glad to print out a copy at your request in the office.
