## Referral Program for Current Customers

We love when our customers refer us to their friends and family. This year we have revised our referral program. Current customers that refer a new customer will receive a \$20 credit to their account once the new customer has registered. That is for each and every customer you refer that joins our Dance Elements Family!

If you have any questions about class placement or which class is best for your dancer please come by and see us. We would be glad to help you finalize registration.
