Recital Costumes

Recital Costumes are arriving! As costumes arrive we will have the dancers try them on to ensure fit. Costume Balances will be put on accounts on January 10th and if you have a card on file those balances will be automatically processed on January 15th. We will begin sending costumes home with dancers after January 15th. Make sure costumes are stored in a safe place and are not worn prior to rehearsal. You will receive detailed instructions regarding costume accessories, hair and makeup during Costume Showing Week.
