

# PLANNED RESPONSE FOR COVID-19

**WE WILL CONTINUE TO HAVE DANCERS AND STAFF  
SANITIZE UPON ARRIVAL AND USE OUR CLEANING  
PROTOCOLS ON PROPS USED IN CLASS.**

## **IF A DANCER TESTS POSITIVE FOR COVID-19**

Students who have tested positive for COVID-19 will need to attend class virtually for 7 days from the onset of symptoms or testing positive and be fever-free for 24 hours (without fever-reducing medications) and symptoms resolving before returning to the studio. We recommend they wear a mask for the first 3 days back if they return to class after day 7.

## **IF A STAFF MEMBER TESTS POSITIVE FOR COVID-19**

The teacher can return to dance class after 7 days from the onset of symptoms or testing positive and be fever-free for 24 hours (without fever-reducing medications) and symptoms resolving before returning to the studio. Staff will wear a mask for the 3 days back if they return to class after day 7. We will notify all dance families that took class with the instructor within two days of testing positive.

## **TRANSPARENCY**

All dance families must notify the studio if their dancer has a confirmed case of COVID-19. We also expect dancers to attend class virtually if they have someone in their household that has tested positive.
