Dancers 10 years old and up must enter with a mask per County Guidelines

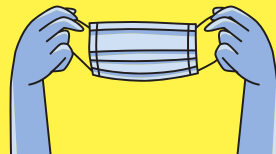

Touchless Temperature Check & Handsanitizer for each dancer

Make sure to bring your own water bottle and dancebag. Place dance bag on "my stuff" placemat. Dancers can now take off mask if desired.

Staff will sanitize for the next class.

Dancers 10 years old and up must put mask on to exit.

Students will exit out the same door they entered.

Combo dancers will be guided one at a time by an instructor to a parent.

The studio has boxes marked on the floor for social distancing. Find a box to dance in for class and take a seat.
