

# **CHRISTMAS PERFORMANCE FAQ**

## ***What size shirt do I need?***

The shirts come in standard shirt sizes: child xs, s, m, l, xl and adult xs, s, m, l, xl, 2xl, 3xl  
We do have some shirts from prior year that you can try on to ensure the correct size.

## ***Can parents watch during the performance?***

Due to space limitations we do not have an audience during the performance. Only the dancers and teacher are in the performance space during the recording.

## ***Is there still class the day of the performance ?***

We do still hold class the day of performances. Dancers will stay for the entire length of class the week of performances.

## ***When should we expect the performance video?***

The performance video will be send via email to classes the next day. We will also have a link on the Christmas Show page to a Dropbox folder that will contain all performance videos.
