

CAPABILITY STATEMENT

Eco Office Solutions
Diversity in Environmental Sustainability

COMPANY OVERVIEW

Founded in 2018, **Eco Office Solutions** started as a minority-owned business that specialized in office supplies. **Over the years, we have grown to become a leading, diverse provider of sustainable office supplies, technology, and furniture with a nationwide reach.**

At **Eco Office Solutions**, we are committed to providing exceptional customer service and high-quality eco-friendly products at affordable prices. We believe in treating our customers with respect and honesty, and we strive to build long-lasting relationships with each of our clients.

CORE COMPETENCIES

We offer a comprehensive range of office supplies, from pens and paper to printers and laptops. We also provide a wide selection of furniture and ergonomic solutions to help you create a comfortable and productive work environment.

PAST PERFORMANCES

- 2023** - Eco-Friendly Office Supply Supplier to Certification Solutions Group, LLC
- 2022** - Eco-Friendly Office Supply Supplier to Perfection Powerwashing Pros, LLC

DIFFERENTIATORS

VISION: We aim for a world where sustainability and social responsibility are intertwined, ensuring equal opportunities for all to make a positive impact on the planet.

PRODUCT SELECTION: We carefully choose environmentally friendly office supplies, prioritizing those with environmental and ethical benefits.

SUSTAINABLE PRACTICES: We commit to sustainable business practices, valuing all forms of life and their interconnectedness, making the transition to eco-friendly offices easier for our customers.

UNIQUE PRODUCT RANGE: Setting us apart is our distinctive product range, featuring new green products before mainstream suppliers. This includes unconventional papers, sustainable wood office accessories, and eco-conscious items like biodegradable packaging, recycled string, and glue sticks made from almonds and potato starch.

DIVERSE CUSTOMER BASE: Our customer base spans from large organizations hosting eco-friendly conferences to standard businesses establishing sustainable supply chains. We cater to forward-thinking and environmentally-conscious businesses.
