Georgia DOT Awards 23 Construction Contracts for Statewide Transportation Projects

The Georgia Department of Transportation (Georgia DOT) awarded 23 projects across the state in October 2024, encompassing bridge rehabilitation, resurfacing, construction, safety improvements, and new bridge construction.

The largest single investment, valued at approximately \$21 million is allocated to a bridge construction project, which consist of the construction of a bridge and approaches along 1.003 miles on US 41/SR 11/SR 49 over the Norfolk Southern Railway. This contract, along with three additional projects, represents 40% of the total funds awarded this month.
