

## Meet E Corp, LLC

**E Corp, LLC** provides comprehensive project lifecycle management. We offer expert consultancy services tailored to meet your business needs, enhance project management, and streamline document control. Our team is dedicated to helping your business thrive through customized solutions. From reassessing and redesigning workflows to improve outcomes to upholding budget requirements.

### DATA

**CAGE Code: 9V7T5**  
**NAICS: 541618, 541611,**  
**541612**  
**541613, 541219**

## Past Performance

- ✓ **Carroll Daniel Construction | 2025:** Streamlining project documentation and procurement tracking using Procore and custom Excel sheets, ensuring timely project execution and improved stakeholder communication.
- ✓ **ECI Groups, Inc | 2023 – 2024:** Achieved \$1 million in project savings through strategic subcontractor/vendor negotiations and proactive cost management.
- ✓ **Xpert Design & Construction | 2020 – 2023:** Delivered over \$125M in multi-family projects by improving coordination, reducing material errors by 20%, and enhancing process efficiency for 80% on-time project closeouts.

## Core Competencies

Reassessing and redesigning workflows to reduce costs and improve outcomes.

Streamlining operations for improved efficiency and productivity.

Upholding budget requirements, minimizing cost overruns.

Clear and consistent communication with stakeholders to ensure alignment.

Effective use of resources, time management, and milestone tracking.

## Differentiators

### ✓ Superior Client Service

We take the time to understand their specific needs, goals, and challenges.

### ✓ Open Communication

We maintain open lines of communication and are transparent in all aspects of our work.

### ✓ High Powered Tech Improves Efficiency

We utilize the latest technology and tools to streamline operations, improve efficiency, and ensure accuracy across all services. We can execute tasks faster and with fewer errors, reducing both time and cost for clients.
