□ GDOT Insight: Your Go-To Source for Innovative
Transportation Updates! □□

Thank you to the DBE business owners, speakers, and partners who joined us at our recent networking event in Columbus, Georgia.

The event provided GDOT/CEI a chance to share insights on government opportunities and learn about your business. In addition, the event provided a one-on-one opportunity for companies to talk with Kimberly King, Equal Employment Opportunity Director, Georgia Department of Transportation, about their concerns and how to navigate various department within GDOT.

On November 3rd, Mrs. King and other top GDOT officials, prime contractors, state and local stakeholders will be available for the **Small Business Industry Forum**. This event will be held from 8 am to noon at Sandy Springs City Hall at 1 Galambos Way, Sandy Springs, GA 30328. We can't wait to see you there!

Georgia DOT Announces New Bridge Strike Awareness Campaign: 'Check Your Height, Know It's Right'

The Georgia Department of Transportation (Georgia DOT) announces a new public awareness campaign designed to create greater awareness about bridge strikes and how motorists can prevent them. The "Check Your Height, Know It's Right" campaign encourages drivers to check their vehicle height to ensure it will travel safely under bridges that extend over state and local roadways. These overhead collisions are commonly known as "bridge strikes."
