CORE COMPETENCIES

AS Private Security, LLC is committed to providing Savannah and surrounding counties with exceptional Security Guard Service.

Strong Services: We protect and maintain safety at various commercial, multi-family and industrial properties, including construction sites, executive protection, fire watch, warehouse freight facilities, hospitality, apartments, and healthcare facilities.

Efficient Communication: Each officer communicates and delegates professionally with all personnel on each site. The company provides clients with 3-25 guards depending on location and tasks.

Professional Training: We provide our officers with thorough training in CPR, De-escalation Tactics, Traffic Control, Armed and Unarmed Security Procedures.

Asset Security: We eliminate theft, vandalism, vagrants and trespassers by continuously patrolling all areas of interest.
