### Small Business Industry Forum in October 2025

We're incredibly grateful to all the business owners, interested individuals, speakers, and partners who joined us at our recent outreach events across Georgia—from Macon, Augusta, and Valdosta to Savannah. Your presence, energy, and engagement made each event a true success!

At every stop, we shared powerful tools in support of growing Georgia small businesses. We always appreciate the opportunity to meet you and learn more about your business needs and connect with you through our popular live Q&A sessions to help tackle some of your real-world questions.

Kimberly King, Equal Employment Opportunity Director for the Georgia Department of Transportation, has planned additional outreach events this year, with the major Small Business Industry Forum in October 2025. These events represent ways we are working to uplift and support Georgia's small business community!

## GDOT District 3 was awarded three projects in April 2025

The first investment will be a bridge culvert project in Butts County. This project will cost approximately \$3.1 million and will be on State Route 36 at Big Sandy Creek at Norris Creek. The contract was awarded to F. S. Scarbrough, LLC.

## Georgia DOT to Host Public Information Open House for the Proposed I-16 from I-95 to SR 67 Widening Project

The proposed I-16 Widening from I-95 to SR 67 project is designed to enhance safety, improve mobility, and support regional growth along the corridor.

## The Safety-Productivity Link Construction Leaders Can't Ignore

Comprehensive safety measures are being recognized as more effective for construction companies, but what's lesser known is the consequent boost in productivity on safer construction projects.
