

CAPABILITY STATEMENT

CORE COMPETENCIES

- Medium Voltage Switchgear
- DC Rectification Systems
- DC Voltage Distribution Systems
- Electrical Power Generation & Distribution Systems
- Propulsion Plant
- Diesel Electric Traction Power Systems
- Boilers
- Fuel Systems
- Hydraulic Systems
- Pneumatic Controls
- Power Driven Weight Handling Equipment
- Pump Reduction Gear Drives
- Electrical/Electronic Controls
- Exhaust & Supply Ventilation Systems
- Fire Suppression Systems
- Diesel & Gasoline Engines Control Systems
- Supervisory Control & Data Accusation System

PAST PERFORMANCES

HARTFIELD JACKSON INTERNATIONAL AIRPORT

Partnered with General Contractor to complete various projects at the airport, including Gate Reconfigurations, Terminal Modernizations, Lot Relocations and others.

MARTA | Partnered with Cleveland Electric to install and upgrade the Emergency Trip System, complete the Track Safe Project installation, and relocate Traction Power Breaker.

MARTA ELECTRICAL POWER AND EQUIPMENT

As Manager of EP&E, Joe Banks directed and lead all efforts to successfully complete a **GDOT and FTA Audit** of the Tunnel Ventilation System (TVS). Joe was also responsible for directing, planning, and scheduling of work programs and activities required to operate and maintain MARTA Life Safety and Operation Critical electrical power systems.

DIFFERENTIATORS

- Partnered with a large General Contractor to successfully complete multiple major projects at the Hartfield Jackson Atlanta International Airport.
- As a Former Manager of the Electrical Power & Equipment Branch at MARTA, I'm very familiar with all electrical systems of this public transportation system, including all **Life Safety Systems, Tunnel Ventilation System, Emergency Trip System, Emergency Power System, Traction Power System, Auxiliary Power System, and Lighting System.**

COMPANY DATA

DBE CERTIFIED

- City of Atlanta Minority Business Enterprise Certification
- Georgia State Class 2 Unrestricted Electrical Licenses
- U.S. Department of Labor Journeyman Electrician License
- Georgia State Class A Commercial Drivers License

NAICS: 238210 | DUNS: 831094755
