

CAPABILITY STATEMENT

CORE COMPETENCIES

"Our company, Gbiah Pro Cleaning Services, specializes in new construction and final cleaning for residential, commercial, hospital, and school buildings, as well as single-family homes. Our core competencies include efficient construction cleaning processes that ensure we never fall behind schedule."

DIFFERENTIATORS

"What sets us apart is our proactive approach to construction cleaning. While many services wait until the project's end, we collaborate closely with the construction team to uphold cleanliness throughout. This proactive stance not only prevents potential hazards and ensures regulatory compliance but also expedites project delivery without interruptions."

PAST PERFORMANCES

1. **BIRGE & HELD CONSTRUCTION:** Contracted for construction cleaning from project initiation through the move-in phase.
2. **OXFORD CONSTRUCTION:** Provided post-construction cleaning services, ensuring regulatory compliance and maintaining site cleanliness throughout the project.
3. **RUSSELL CONSTRUCTION COMPANY:** Collaborated closely from project commencement to final delivery, improving construction site cleanliness and efficiency.
