

## Company Overview

---

Chau Wall and Associates, LLC (CWA) was founded in 2013 in Atlanta, Georgia. Ms. Wall started the firm with 15 years of successful design and management experience in landscape architecture. She has implemented outstanding land planning, streetscape, planting and hardscape design projects while keeping a high level of client/project management relations in the Atlanta area, as well as in Tennessee, North Carolina, and South Carolina. Ms. Stensland joined the firm in 2015 and specializes in the design of pedestrian and bicycle facilities, multi-modal wayfinding and GIS analysis. She has a successful track record of delivering these project types during her prior experience in New York City; Toronto, ON; and Portland, OR.
