CAPABILITIES STATEMENT

Computer Triage IT Solutions, LLC is an IT Consulting firm and Solutions Provider located in Douglasville, GA. Our company can analyze situations, assess impacts, identify appropriate actions, and help determine solutions. We use a triage approach in our work management.

We strive to provide world-class excellent services. We built our company upon a core value and principle:

T - TRANSPARENCY
R - RELIABILITY
U - UNIFIED
S - SMART
T - TALENT

OUR CORE COMPETENCIES

- CYBER SECURITY | IT SECURITY
- SYSTEMS INFRASTRUCTURE DESIGN
- NETWORK INFRASTRUCTURE DESIGN
- INFRASTRUCTURE CAPACITY PLANNING
- CLOUD INFRASTRUCTURE DESIGN
- IT CONSULTING TECHNOLOGY SERVICES
- BUSINESS CONTINUITY/DR
- TECH SUPPORT SERVICES
- FEDERAL & STATE GOVERNMENT IT CONSULTING

DIFFERENTIATORS

Our Core Values and Principles is what makes our company different from the competition.

Our complete transparency policy allows for both: **working together on the same line of thought, while prioritizing the company's business objectives.** By being a reliable resource able to unify leadership, as well as bringing industry knowledge and expertise, intelligence, experience, and think-outside-the-box attitude, we can be more efficient and less expensive, benefiting our clients.
