## DH ELEVATION CONSULTING LLC

### PROFESSIONAL SERVICES (PS)

## COMPANY OVERVIEW

DH Elevation Consulting, located in Metro Atlanta, serves local, national, and international clients. Our Professional Services Impact Area focuses on elevating the training environment of companies and agencies by expanding the skills of C-suite, client-facing employees, and contractors with effective and targeted training and support from software application to organizational development. This includes EHR and new hire onboarding. Our highly adept consultants perform Master Trainer duties to learn and become certified in a company's curated content or develop curriculum to effectively transfer knowledge for practical implementation. This allows our clients to provide improved services to their clients.
