- Our goal and mission is to produce flawless embroidery jobs as well as create and design garments that are comfortable to the body and speaks to customers and the admirers of the garments. We are a company that strives for repeat business. We provide services to individuals, groups, and businesses, small and large.
- ELLA Designs, LLC has been offering professional embroidery services since 2011. The organization of this business stemmed from a process of grieving the loss of the owner's parents dying, 6 days apart from each other. The process of grieving actually awakened the passion and the skills of sewing in the owner. She took the passion of creating garments and decided to start a business in 2009, by doing what brought her life again.
- ELLA Designs, LLC uses commercial embroidery equipment and sewing machines to embellish garments, aprons, lab coats, jackets, uniforms, towels, etc. Customize, design, cut and sew garments and alterations to ready to wear. The owner obtained her Certification for Master Alteration Specialist (MAS) from the Association of Sewing and Design Professional (ASDP) in 2016.
