Capability Statement

CORE COMPETENCIES

Empire Contracting LLC, established in 2011, stands as a beacon of integrity within the construction and remediation industry. With deep-rooted family values, our name has become synonymous with excellence throughout the southeastern US. Our unwavering commitment to quality craftsmanship and customer satisfaction distinguishes us as leaders in the field. We specialize in a wide range of general construction services, including painting, framing, concrete forming, excavation, paving and milling, underground pipe installation, landscaping, flooring, and roofing. Entrust your project to Empire Contracting and experience the epitome of professionalism and reliability.
