Evolution Management, Inc. (EMI) is a **certified SBA 8(a), economically disadvantaged, woman-owned, small business (EDWOSB)**. Established in 1994, our passion is to share our expertise as we plan and guide organizations to **COLLABORATE, CHANGE, EVOLVE** and **THRIVE** in their management of people, processes and operational change. Working in partnership with our clients, EMI provides **human and organization development consulting expertise** to design customized pathways for implementing and sustaining organizational change, aligned with strategic mission, objectives and goals. Our work results in improvements in organizational performance, stakeholder satisfaction and operational accountability. Through our interrelated services; Organizational Effectiveness Consulting, Training and Leadership Development, and Staffing Support; EMI provides holistic support for individual, team and organizational improvement.

EMI Framework for Excellence

EMI's team of professionals work in a collaborative, flexible and creative manner to identify ways to improve efficiencies and performance results. Our strategic and holistic approach follows a systems consulting model and begins by understanding the clients' future vision, uniqueness, and culture before finalizing and implementing recommendations; staying true to our goal-driven, not tool-driven values.

- EMI has provided services to a variety of government and private clients including:*
- **USDOT—Federal Aviation Administration**
 - **Centers for Disease Control & Prevention**
 - **US Dept. of Treasury**
