FOX Environmental, LLC offers over twenty five years of experience in environmental program/project management at the local, regional, and national levels. Working individually, or as a carefully integrated team of scientists, engineers and planners. FOX provides assistance to local governments, private corporations and attorneys to ensure compliance with federal, state, regional and local environmental regulations. Many of FOX's clients are located in the Metropolitan North Georgia Water Planning District (MNGWPD) as well as in communities in south Georgia, west Georgia, coastal Georgia and in the north Georgia mountains.
