

CAPABILITY STATEMENT

J4 LOGISTIC SERVICES, LLC.

COMPANY OVERVIEW

J4 Logistic Services, LLC. was founded by two former military officers with a combination of almost 40 years of service and is a trusted consulting and management company specializing in overseeing a fleet of dump trucks for hauling construction materials such as asphalt, concrete, dirt, rocks and landscaping. Founded in 2016, we pride ourselves on providing efficient and reliable services to the construction industry. Emphasizing professionalism and safety, we ensure all materials are transported securely and on schedule, helping clients meet project deadlines.

CORE COMPETENCIES

- **DUMP TRUCK FLEET MANAGEMENT:** Expertise in maintaining and managing dump truck fleets for peak performance and compliance.
- **ROUTE OPTIMIZATION:** Skilled in maximizing efficiency and ensuring timely deliveries through optimized transportation routes while reducing costs.
- **MATERIAL HANDLING:** Safely and efficiently handle various construction materials, including debris, gravel, sand, and bulk materials.
- **CONSULTING SERVICES:** Provide strategic logistics consulting, including supply chain management and transportation optimization.
- **CUSTOMER SERVICE ORIENTATION:** Committed to excellent customer service, communication, and responsiveness in trucking, construction, and logistics.
- **TECHNOLOGY INTEGRATION:** Utilize technology to enhance operations, track fleet performance, optimize routes, and provide data-driven insights for improved decision-making.

Georgia Department of Transportation

PAST PERFORMANCES

J4 Logistic Services, LLC offers top-notch service to construction companies, dispatchers, and drivers with a reliable fleet of dump trucks, competitive pricing, and flexible scheduling. Our supportive work environment ensures safety and competitive pay.

1. C.W. Matthews Contracting Co Inc.: Provides asphalt and dirt services with a well-maintained fleet and competent drivers.
2. Concrete Supply Co., Inc.: Efficiently hauled dirt to ensure smooth project completion.
3. Baldwin Paving Co Inc - hauled materials including asphalt
4. Vulcan Material Company: Transported dirt and rocks to and from construction sites.
5. Carmichael Development, LLC.: Delivered dirt efficiently and on time for residential and commercial projects.
6. HR1 Solution, Inc.: Delivered concrete, dirt and rocks to residential projects.

We are dedicated to building strong relationships with construction companies and drivers, delivering exceptional transportation service and support.

DIFFERENTIATORS

Founded by two former military officers, J4 ensures disciplined, efficient, and detail-oriented logistics and transportation services. Our unique combination of dump truck operations and consulting services provides expert advice on logistics, planning, and project management, setting us apart from traditional companies.

We prioritize:

- ✓ EXCELLENCE, SAFETY, AND CUSTOMER SATISFACTION
- ✓ PROFESSIONAL, TIMELY SERVICE
- ✓ OPEN COMMUNICATION

Our military background and well-trained team enable us to:

- ✓ OPERATE WITH PRECISION
- ✓ REDUCE RISKS AND DELAYS
- ✓ OFFER COST-EFFECTIVE, HIGH-QUALITY SOLUTIONS

This dedication makes J4 Logistic Services, LLC a superior choice for transportation and logistics.
